Parent Message Form

This year we are encouraging parents, family, and friends to buy space in our fall and spring programs to congratulate, encourage, and otherwise praise one singer or the whole group. The price on the opposite page is for both programs. To buy space in only one program, divide the price in half.

**Please use the space below to write or design your message.
Please be sure it is legible.**

**If you would like to add a graphic, or submit your message in soft copy format, please follow the ad submission directions on the opposite page.
(Only black & white graphics please)**

If you would like your message to have a graphic but don't want to design the layout yourself, add \$5 to your cost, indicate the type of graphic you would like, and our staff will dress up your message for you.

Thank You for Supporting Us!
