Terms of Membership

We, both singer and parent, accept the invitation offered to us to become a member of the Frederick Chamber Singers and understand that there are responsibilities which accompany this membership. These responsibilities include:

1. Attend rehearsals and concerts faithfully for the entire 2010-2011 season.
2. Practice my music routinely and independently throughout the week.
3. Notify the director, **in writing**, of any absences, especially extended absences, as soon as they are known to me and **no less than 2 weeks in advance**.
4. Notify directors of other activities in which I participate, that I have made a commitment to the Frederick Chamber Singers to attend rehearsals on Sundays and to participate in concerts scheduled on the chorus calendar.
5. Treat with respect and care all facilities in which the Frederick Chamber Singers rehearses and performs, and report to the directors any member of the chorus who vandalizes or causes damage to the facilities.
6. As a parent, I agree to fulfill my requirement as a member of a volunteer committee, which may require 10-20 hours of my time over the course of the entire season.

We have read and understand the responsibilities listed and agree to accept them in order to participate in the chorus.

Volunteers

Parents are required to volunteer at least once during the year. We do our best to accommodate your preferences, but obviously we can't have 50 parents assigned to be ushers each year. Your annual contribution of time is approximately 10-20 hours, and is a part of your commitment as a part of this organization. We cannot make the chorus successful without your help!

Please rate your top 3 committee choices in order, 1, 2, and 3.

- _____ 1. Wherever needed.
- _____ 2. **Chair a Committee!** - Organize other parent volunteers to complete a committee's task - Please indicate which committee you would like to chair by putting a check next to that committee.
- _____ 3. **Concert Refreshments** - Solicit food donations from local grocery stores and chorus parents, set up and sell refreshments to audience members during intermission. Clean up and count money after the concert.
- _____ 4. **Refreshments for Children** - Solicit food donations from local grocery stores and chorus parents, set up and serve refreshments to singers during long rehearsals and at intermissions during performances.
- _____ 5. **Puke Crew** - Emergency medical help during concert week rehearsals and the concert, bathroom escorts and general help with sick singers (This committee might sound gross, but you get First Class reserved seating at all the concerts, and if luck is on your side, you won't have to do anything besides care for the occasional light-headed singer.)
- _____ 6. **Program Advertising - Contact local businesses and solicit them to place ads in our concert programs.**
This is a very important committee, as it helps us keep our tuition fees down.
- _____ 7. **Fundraising - Helping to organize a fundraiser like Behnke Mums or Joe Corbi's pizza, and soliciting donations from businesses. This also includes any chorus event fundraisers, such as music clinics offered to the community. This is a very important committee, as it helps us keep our tuition fees down.**
- _____ 8. **Stage Crew** - Set up stage for rehearsals, pull curtains, and clean up after performances.
- _____ 9. **Rehearsal set-up and break-down (Training - TC and Concert - CC parents only)** - TC parents help tear down tables and set up chairs before rehearsals - CC parents help reset tables and chairs after rehearsals (this takes approximately 10 minutes each week). Parents are put into groups and switch off every other month.
- _____ 10. **Ticket or DVD Sales** - Sell tickets or DVDs at the rehearsals and at concert entrance.
- _____ 11. **Flower Sales** - Solicit donations of flowers and accessories from local businesses, purchase any additional flower needs, and create flower bouquets the morning of the concert. Sell flowers before the concert and at intermission, and after the concert if you have any inventory left.
- _____ 12. **Merchandise Sales** - Sell chorus merchandise at music pick up night, concert week rehearsals and concerts.
- _____ 13. **Concert Ushers** - Pass out programs and take tickets at our concerts, escort handicapped audience members.
- _____ 14. **Concert Wardrobe** - Measure children, distribute costumes at Tuesday rehearsals. Assist before concerts to check to see that all performers are dressed appropriately. After concerts, collect wardrobe items.
- _____ 15. **Special Skills** you could offer to the chorus (Photography, Publicity, etc.) - Please describe: _____

Thank you for your support and participation. We're looking forward to sharing this activity with you!
